NORTH AMERICAN DRÄGER

PRODUCT BULLETIN

Product(s):	Narkomed 4 and VA3000
Bulletin Number:	069
Release Date:	01/06/98
Pages:	1

Subject: Revision to Finger Sensor for Narkomed 4 and VA3000

The finger sensor for the Narkomed 4 and VA3000 will be produced by a different vendor. The current cable (Nellcor, #4108983) will be used until expended, then the replacement cable (Epic, #4113823) will be substituted.

If you have any questions regarding this bulletin, please call Greg Sutherland at ext. 2311.
